**ORDER ADOPTING FINDINGS, CONCLUSIONS, AND
RECOMMENDATION OF THE UNITED STATES MAGISTRATE JUDGE**

The United States Magistrate Judge made findings, conclusions, and a recommendation (“FCR”) in this case. The District Judge has made a *de novo* review of those portions of the FCR to which objections, responses and replies were made and has reviewed all other portions of the FCR for plain error. The objections are **OVERRULED**, and the court finds no plain error with respect to the remainder of the FCR. The court **ACCEPTS** the Findings, Conclusions, and Recommendation of the United States Magistrate Judge. Accordingly, Defendant’s motion for summary judgment is **DENIED**.

SO ORDERED.
